

## Shelly Beach Nippers Registration - 2019/2020

### What is Nippers?

Nippers is a program that introduces children aged 5 to 14 to Surf Life Saving. It's a great way for children to make friends, be active and learn how to enjoy the beach safely. Nippers first learn about surf awareness and safety. As they progress through the various age groups, Nippers will develop skills in wading, running, ocean swimming, board paddling and lifesaving as well as learning the basics of resuscitation and first aid. It is also their first step to become part of an iconic organisation that has served the Australian community for over 100 years.

### How old must your child be?

Our youngest Nippers must be 5 before 1 October 2019 for the U6 age group which then progresses in yearly age brackets up to U14.

### When does it start?

Nippers starts Sunday the 20th of October 2019 and finishes towards the end of March 2020. Nippers is on a Sunday morning (U11-U14 - 8.30am or U6-U10 - 9am) and depending on your child's age group, additional training sessions will be available if they wish to further develop specific skills.
