SHELLY BEACH SURF LIFE SAVING CLUB WOULD LIKE TO SINCERELY THANK EACH AND EVERY ONE OF OUR DEDICATED MEMBERS, SPONSORS AND SUPPORTERS FOR THEIR SUPPORT FOR THE 2018-2019 SEASON.

SBSLSC LOOKS FORWARD TO ANOTHER GREAT SEASON 2019-2020
Shelly Beach SLSC Strategic Vision

OUR VISION
Embracing the wider community into the Club, enhancing education and lifesaving standards while providing the community with a safe and enjoyable environment

VALUES
Our values are fundamental to the way we conduct our duties and provide our services. The following values are vital in achieving our mission:
► We will maintain open, effective and timely communication.
► Our decisions are based on the best interests of the community and the club.
► We are committed to always being professional in our approach.
► Our actions reflect high standards of honesty, integrity and respect.
► Our visions and goals are best achieved by effective teamwork
► Activities will be conducted in a transparent and ethical approach

STAKEHOLDERS
Our stakeholders are the major groups and individuals we communicate with, who are affected by and include the activities of the Club. These include:
► Our members and their families.
► The Branch and affiliated Clubs.
► Surf Life Saving NSW and Australia.
► The local community including business and supporters.
► The beach users.
► Our sponsors, business partners and supporters.
► Local, state and national government.
► Support Services (Police, Ambulance and Emergency Services).
► Media agencies

CORE BUSINESS AREAS
1. Lifesaving and Patrols
2. Training and Education
3. Surf Sports
4. Member Services
5. Business and Administration
6. Community

The strategic vision is based around these core business areas.

Notice of Annual General Meeting 2018

Notice

Notice is hereby given that the Annual General Meeting of Shelly Beach Surf Life Saving Club will be held at the Clubhouse on Sunday 30th June 2019 at 3.00 p.m.

Agenda

Item 1 ....................... Apologies

Item 2 ....................... Acceptance - minutes of the Annual General Meeting Sunday 24th June 2018.

Item 3 ....................... Business arising from minutes of the Annual General Meeting 24th June 2018.

Item 4 ....................... Presentation and adoption of the 64th Annual Report.

Item 5 ....................... Presentation and adoption of the Auditor's Report and Treasurer's Financial Statement and Balance Sheet for the 2018-2019 season.

Item 6 ....................... Election of office bearers.

Item 7 ....................... Affiliation with SLSNSW and SLSCC.

Item 8 ....................... Life members - New.

Item 9 ....................... Correspondence (Urgent nature only).

Item 9 ....................... General Business (Urgent only).

Note: Distribution of the AGM notice is sent only by email to most members to save volunteer time, club resources and paper.
In my third year as President and I have enjoyed witnessing the remarkable effort that everyone has contributed.

I would like to make special mention of our patrolling members, parents and guardians our nippers, opens and masters for their commitment to the club and surf lifesaving in general. I would also like to acknowledge the parents and friends of our club for your engagement and challenge over the season. Without challenging norms and innovation, we cannot look to improve. I would like to personally thank every committee member (JAC and Senior) who gave up countless hours over the season. Our combined efforts is what makes our club great.

Our first priority at Shelly Beach is Surf Life Saving and supporting the wider community. Our dedicated patrolling members volunteered a total of 6247 hours spread out over weekends and public holidays from September through to the April. We had over 41,000 visitors to our beach where we managed 48 rescues, many more preventatives with no drownings.

Shelly Beach has continued its leadership in education. We achieved 22 x Advanced Resuscitation Technique (AID), 27 x Bronze, 21 x IRB Crew, 14 x Radio Operators, 4 x First Aids, 1 x RWC, 2 x Silver Advanced First Aid, 9 x Silver Beach Management, 3 x Silver Aquatic Rescue, 10 x IRB Drivers, 14 x SRC, 5 x Spinal, 1 x Advanced Resus Trainer and Assessor, 1 x IRB Trainer officer and 1 x Bronze Assessor. 136 Awards!!!

We had a very strong competitive season. We had representation across all carnivals and were awarded medals in Pool Rescue, Branch, State, State Surfing, Aussies, Worlds and State Pool Rescue. I would like to thank our group of coaches who dedicate their time and effort.

Through the dedication and hard work of you all...

» We achieved our greatest competition results in the history of the club! (Branch, State, Aussies and Worlds).

» We embedded a training scheme that caters for all skill levels across water and sand.

» We delivered our 2013/2018 Strategic Plan

» We held a Strategy Day which provided focus areas over the next 2 seasons aligned to both State and Branch Strategic Areas.

» We increased our niper registrations this season.

» We raised over $5,000 in car park collections.

» We continued our Gold Quality Club Award program internally.

» We increased our member numbers in both Associate and Active.

» We introduced an Adult SRC to streamline the process of water safety through to patrolling members.

» We continued our junior surf matt initiative that makes the transition to the board in the U9 easier. We have proven that the initiative is bring a higher percentage of kids up to the U9 which is usually the first age group to lose numbers.

» We engaged with other clubs by sharing information and ideas on how we can improve as a club and a branch.

This has been a rewarding season for me personally and I look forward to the season ahead.

Martin Kerr
President - Shelly Beach S.L.S.C.

"Where friends meet"
2018-2019 has been a year of great achievement for Shelly Beach Surf Life Saving Club (SBSLSC) in education, competition, coaching, training, nippers and lifesaving.

Whilst the Quality Program has not been followed up this season SBSLSC still followed these guidelines internally as this made compliance much easier to map and follow up as this is necessary for funding, grants and safety of every member and of course the wider community that SBSLSC serves.

This season saw the advent of Active Kid rebate by NSW Government and there were some members that took advantage of this funding and more importantly the Government will run this again next season for junior members. SBSLC also became a SLS Safeguarding champion with the introduction of a new program "Safeguarding our Children and Young People, this program now instilled going forward as this is very important part of life, community and society.

Congratulations to Don van Keimpema on his OAM, Keisha McJannet on the inaugural Kevin Stanford award, Bronwyn McKirdy on her life membership, Paul Dowdell for SLSCC Streets Rescue of the Year, Leisa Griffin for SLSCC Administrator of the Year and all SBSLSC patrolling members achieving 3rd place in SLSCC Patrol Competition.

SBSLSC continues to excel in education, patrolling, management, competition and initiatives that set them apart.

Thanks to everyone that has been a part of this great season, every hand helps.

Trish Watts
Director of Administration
The 2018-2019 Shelly Beach Surf Club Nippers Program was again a successful and rewarding season. Some particular highlights of the season have been increased Nipper registration numbers, increased water safety and help from parents, review of our training program and success in competition and most of all participation and enjoyment of our Nippers.

We maintained the staggered start times which improved ratios of water safety and resulted in trouble free Sunday mornings. Our Club Champ Day was run without hinderance of weather conditions this year, which was a relief for the Junior Committee, parents and Nippers. Carnival participation from new and existing families was fantastic with some excellent results in both sand and water events. From all reports our competitors approached the carnivals with great sportsmanship and a positive attitude which led to great results and personal achievements.

The Nippers season could not have been possible without the assistance and dedication of our Age Managers for this season, who provided such valuable support for our Nippers every Sunday morning by guiding their age group in the first steps of the art of Surf Life Saving. They have provided our children with a skill set and confidence that will form a basis for years to come and if they choose to stay with Surf Life Saving they have had a great starting point.

Our water safety volunteers and IRB drivers/crew have again played an integral part of the season ensuring our kids were safe and secure in the water every Sunday. Thanks to all returning and new water safety.

The increase in assistance of water safety was due to the commitment of our Training Team and parents realising the importance of looking after our children on and off the beach. Seeing the Cadets and other Junior Lifesavers pass on their skills to our Nippers was fantastic. We acknowledge their contribution as role models for our Nippers. Their dedication to the club is much appreciated.

The Junior Committee enlisted the expertise of Michael Hyslop Junior DSS (Director of Surf Sports) to implement a revised training structure. The aim has been to implement a combined training element to create a ‘One Club’ environment with our coaches and Nippers both on sand and in the water with the help of senior competitors. This training schedule continues as an ongoing development strategy that will evolve and form a framework for years to come to maintain consistency and give our Nippers the best possible chance to learn and excel.

On a finishing note, I would like to thank all the committee members, Age Managers, our coaches, officials, water safety and parents for their dedication and hard work on Sundays and behind the scenes to be able to make the Nippers Program a success. I would love to thank most importantly our Nippers for a great and rewarding season that I am sure we can recreate for 2019-2020.

Well done!!

Brad Glover
Junior Activities Chairperson.
Congratulations patrolling Members of Shelly Beach SLSC.

Another successful season comes to a close, what a fantastic season 2018/2019 was! Over the patrolling season we had over 63,000 visitors to our beach, saved 48 lives, completed over 717 preventive actions, provided 35 first aid treatments and our 128 patrolling members volunteered an astonishing 6,247 hours.

Most importantly, 0 costal drownings at our beach this year, again.

This season our Patrol Captains, Patrol Vice Captains and along with the newly created patrol position of PAC (Patrol App Captain), took charge of the data that is entered into SLS’s data base, Surf Guard, by way of an application downloaded onto their personal device and or the clubs tablet. Some of these members mentioned are by no way IT experts, myself included, however, I can confirm the Shelly Beach Lifesavers took to this new data entry system with gusto and, after some teething issues, adopted the new technology so that our submission rates we were amounts the highest on the coast. Let’s keep the momentum going for the 2019/2020 season so that were at the fore front of this technology. Detail and accuracy are the key drivers to be No: 1 in this space.

The contributions made to our club by our Training Team cannot be under stated. Paul Dowdell is at the head of machine that continues to grow when measured against the quality lifesaver that continue to enter our ranks. Not only is this team training Bronze and SRC awards they are also training IRB Driver, IRB Crew Personcs and Advanced Resuscitation Techniques (ART). Importantly, for the first time in a number of years, all of these awards are being assessed by Shelly Beach assessors. A massive achievement considering just a few short season ago we had 1 trainer and called upon our fellow Clubs for assessors, mentors and the like.

Going forward I’m sure this team will on grow so that Shelly Beach SLSC will a power house in relation to training awards amongst the Central Coast Clubs.

Congratulations to all of our perpetual award winners from Senior Presentations held recently.

Special mention to Gary Baker, Club Person of the Year, Janine Shearer, Patrol Person of the Year and Patrol 7, Patrol of the Year.

Thank You Gary and Janine your efforts are remarkable and astonishing. You are both massive assets to our club and, I’m sure I’m speaking for everyone when I say this; we are really happy and proud to have you as Shelly Beach SLSC members.

To the members of Patrol 7 who are led by Jon Harkness, you guys killed it this season, you smash everything you did in relation to Surf Lifesaving. You won our internal point score, convincingly I will add, 8 of your 10 members achieved 100% rostered patrol, a record that will be hard to beat. Your beach set up on each and every patrol was near on perfect. The other 9 patrols and all of Shelly Beach members, active or otherwise, can look up to you guys in wonder. When you see Jon and his team on the beach next season, be assured, you’ll be in safe hands. Congratulations for your Patrol of the Year award.

Extra Special mention to Keisha McJannet, who has won the inaugural and extremely prestigious Kevin Stanford Award, for her 5 awards gained throughout the season. Keisha achieved 100% patrol, is Patrol 10’s PAC and is only, at the time of writing this, 17 years young. Keisha as a young person has proven time and time again what a responsible, reliable forward thinking teenager she is. I’m proud to be her Patrol Captain, an award Keisha holds now (did someone mention succession planning). Keisha is also a formidable competitor, particularly on the Ski, that said, she does excel in all water events. All members of Shelly Beach SLSC can be rightly proud of Keisha.

To our Patrol Captains and their teams of talented Lifesavers, a massive thank you from your club for your efforts in keeping our beach fatality free for another season.

Let’s keep that momentum going for the 2019/2020 season.

Recharge your batteries and enjoy your off season.

See you next season at our wonderful beach.

Best Regards

Shaun Gersch
Club Captain
Shelly Beach SLSC
The Shelly Beach education team has had another big season in 2018/19, resulting in over 130 senior awards gained by its members, 100 of these awards were trained at Shelly Beach itself. We have also improved our capabilities to train and assess courses within the club by adding another Training officer in IRB, as well as Assessor Advanced Resuscitation, and Assessor Bronze Medallion. With Ramzy Fawzy joining the Club (dual membership) we now have a facilitator, and mentor for new trainers in every course that can be delivered at club level.

Two of our education team have also recently completed the upgrades required to the Assessor certificate and Cert IV Training and Assessing, which keeps the club not only able to operate autonomously, but to lend assistance to other clubs, once the planned changes to federal legislation regarding Registered Training Organisations comes into effect.

The 2018 / 2019 education team were as follows

Paul Dowdell, Shaun Gersch, Steve Lee, Gary Baker, Ramzy Fawzy, Oliver Sigl, Daniel Sigl, Andrew Hessel, Michael Lawton

---

IRB CREW AND DRIVER COURSES

**Trainors**
Paul Dowdell, Andrew Hessel (probationary), Gary Baker (probationary), Stephen Shearer (content expert), Geoff Woodward (content expert)

**Assessors**
Michael Lawton, Steve Lee (probationary) Chris Fillingham (Toowoon Bay, probationary), Ramzy Fawzy (SLSCC mentor)

SURF RESCUE CERTIFICATE

**Trainors**
Paul Dowdell, Oliver Sigl, Daniel Sigl (probationary)

**Assessors**
Steve Lee, Andrew Hesssel (probationary)

---

BRONZE MEDALLION

**Trainors**
Shaun Gersch, Paul Dowdell

**Assessors**
Paul Dowdell (probationary) Dave Chaffer (mentor), Steve Lee

ADVANCED RESUSCITATION TECHNIQUES

**Trainor**
Paul Dowdell (probationary)

**Assessor**
Ramzy Fawzy (SLSCC mentor), Terry Vella (proficiencies), Sue Davis (proficiencies)

Leisa Griffin
Registrar
A great year for IRB.

THE YEAR IN GENERAL
Before the year had commenced Shelly Beach Surf Lifesaving Club (SBSLSC) had received a new motor from Surf Life Saving Central Coast, which was greatly appreciated. Motor 6 was run in and was ready for back up this season, giving the club more motors to be present with on the beach.

Repairs were ongoing on a weekly basis and luckily there were no major issues with both motors and hulls.

It was great to see so many new faces attending the IRB crew and drivers courses this season, with 2 new drivers and 21 new crew members and some still pending that will show in the next season awards.

This will certainly make life much easier as IRB’s are integral in rescues and call outs.

TRAINING
Our training courses ran till June this season and it was good to see some ladies attempting the driver’s course and attaining their awards. Special thanks to Gary Baker and Paul Dowdell for training these courses and Craig Goy for being the content expert.

SBSLSC had several new trainers gain their training awards this season and this is reflected in the increase in IRB awards this season.

MAINTENANCE
Maintenance remains a huge part of being on the beach.

Sandy carburettors were the biggest problem for motors and the hulls had the occasional leak there was a new floor mat replaced this season. Many thanks to all the members who have helped throughout the season, this made the workload a lot easier.

Thank you to all the IRB drivers and crew for their commitment, support and efforts over the 2018-2019 season. SBSLSC looks forward to a strong IRB presence on the beach next season.

Cheers

Stephen Shearer
IRB Captain
SURF SPORTS SEASON 2018/19

The past 12 months for Shelly Beach SLSC have seen a tremendous success for individuals and as a surf sports team. Shelly Beach was represented at Pool Rescue, Surf Lifesaving and International Lifesaving championships gaining medals in both the Masters and Open categories. Individual standouts include James Koch - Surf races and Pool Rescue, Tom Simpson - Pool Rescue and Surf races, Alex Chaffer - Board Race, Bryn Gaha - Board and Surf races, Daniel Kingsley and Matt Zalbergs - Masters Surf race and Jazzymn Fillingham - Ironwomen and Ski. Shelly Beach has also been represented in numerous Branch and State representative teams by James Koch and Tom Simpson.

Shelly Beach’s Pool Rescue Season saw strong results in both the Masters, Opens and Youth divisions. The success of the team was contributed greatly with an expansion to two sessions a week to cater for additional competitors attending the sessions. A huge thank you to the coaches Tom Simpson and Don van Keimpema and athlete leaders James Koch and Blake Hessel for their time and effort in training the team.

At State Pool Rescue Championships held in July the Open Team came 2nd overall on 151pts and the Masters 5th on 54pts in the Masters competition. Stand out performances by James Koch and Tom Simpson earned them a spot on the NSW Pool Rescue Team which was coached by Don van Keimpema. This is a huge club achievement with 3 members representing NSW in one team.

At the National Pool Rescue Championships held in August both James Koch and Tom Simpson competed for Shelly Beach SLSC and NSW in the interstate competition held at the same time. Both athletes performed incredibly well with James Koch winning two bronze medals in the u/19 100m Tow and U/19 50m underwater with fins and a silver in the U/19 100m Rescue Medley, whilst Tom Simpson won a silver in the Open 100m Rescue Medley.

The summer season began in October with a strong winter training program which saw our athletes excel early in the season. Shelly Beach competed at the 1st round of Ocean 6 Series where 6 athletes participated. For 3 of our athletes this was the first time racing in the Open division. At the end of the day James Koch posted a 5th place in the Open Surf Race final and Tom Simpson made the Open Ski Final for the 1st time.

At the interbranch selection carnival we had a record number of attendances in the seniors which included 6 Open competitors. From this carnival the Central Coast Interbranch team was selected. Shelly Beach gained 2 spots in the team with Jack Merriman in the U17’s and James Koch in the Opens.

The Sydney Water Series held on the South Coast saw a record number of athletes from Shelly Beach attend. This carnival allows our athletes to practice racing in a competitive environment and it becomes a fun day out with the team as you are out for most of the day. At the end of the four rounds Bryn Gaha was the U17 Surf Race Champion, Tom Lennox the
Open Surf Race Champion and Tom Simpson Open Ironman Champion.

In November 2018, Shelly Beach sent its first ever Worlds team to the 2018 Interclub World Championships and the Worlds Masters Championships. The Masters competed for 3 days and the Opens 3 days in the pool and 3 days in the ocean.

The Masters competed in the ocean where each athlete came away with a medal. The competitors were, Rod Hulls, Paul Gaha, Adam Smith, Phil Keenan, Matt Zalbergs, Keaton Watts and Peter Zalbergs Team Manager.

The Open Interclub Championships athletes were Alex Chaffer, Tom Lennox, James Koch, Tom Simpson, Adam Smith and Karen Simpson, Team Manager. The Opens received 31pts in the pool and 64pts in the Ocean. In the pool the team made three B Finals coming in the top 3 each time and James Koch made one A final in the 200m Obstacles and a B Final in the 100m Carry. In the Ocean Shelly Beach was represented in every event. James Koch got 3rd in the Open Surf Race and another 3rd in the Open Board Rescue with partner Alex Chaffer. The Open also posted points in the Open Rescue Tube Rescue with 5th place and a 7th in the Open Sprint Relay. At the end of competition Shelly Beach ended their World Open Interclub Championships in 16th place on 85pts.

At Central Coast Branch 2019 Shelly Beach had a very successful two days of competition with plenty of placings and amazing performances. At the Open carnival Shelly Beach finished 5th on 274pts. Standout performances were by Bryn Gaha 3rd u/17 Board and 1st U17 surf race, Jazymn Fillingham 1st U17 Single Ski, James Koch 1st Open Surf Race, Tom Simpson 2nd Open Ironman and 1st Open Board Rescue with partner Tom Lennox.

At the 2019 NSW State Open Championships Shelly Beach was represented in four divisions and a record point score of 32pts. All Shelly Beach athletes competed very well each achieving some personal best performances. Notable achievements were James Koch 3rd Open Surf Race, Open Belt Team 2nd, Open RTR 1st, Tom Simpson 4th Open Champion Lifesaver, Open Surf Race Final and Open Ironman Final, Alex Chaffer Open Board Final, Bryn Gaha U17 Board Final and Jazymn Fillingham U17 Ironwoman Final. Both Iron Finalist are the first Iron finals in these division for Shelly Beach Surf Club.

Australian Surf Lifesaving Championships 2019 is the grand finale any surf club would be proud of. Shelly Beach had record numbers attending the Aussies on the Gold Coast at Broadbeach.

The masters had 7 athletes and the Opens had 11 athletes. Daniel Kingsley walked away with his first Aussies Medal in the 40-44yrs Surf Race placing 3rd. Matt Zalbergs and Phil Keenan placed 3rd in the 35-39yrs Board Rescue.

In the Opens our 17s Bryn Gaha, Braith Walters, Jack Merriman, Jazymn Fillingham and Kira McEvoy had outstanding performances in
their first Open Ausssies Championships with many semi finalist finishes. The Open category also had amazing achievements by the entire team with two team finals in the Open Rescue Tube Rescue 7th and Open Belt Race with James Koch as the swimmer 3rd and three individual finalist James Koch 2km Ocean Swim and Tom Simpson and James Koch in the Open Surf Race. Overall the Opens received 11pts and finished 44th overall. This is the highest place Shelly Beach has received in the Open Championships.

A special thanks to our officials Janine Shearer, Trish Watts, Sue Davies, Terry Vella, Sonya van Keimpema, Don van Keimpema, Phil Lytham, Warren Lupica and Mark Griffin (Pup) for your tireless efforts you have put in at carnivals ensuring we are able to race. Our Team Managers Peter Zalbergs, Karen Simpson, Janine Shearer, Leisa Griffin, Alison Koch and Tom Simpson for your constant resilience to the pressures of coordinating all the athletes and supporters at each carnival. Our Coaches Don van Keimpema, Tom Simpson, John Dosanjh, Adam Smith, Dave Smith, Sean Mitchell and Keaton Watts for your countless hours developing and supporting our athletes.

The 2018/19 season has seen Shelly Beach climb to new heights in surf sports both in the Masters and Open competitions. Our training programs and expertise of our coaches and the support of all the supporters has enabled this prospering era of surf sport at Shelly Beach to flourish.

</table>
Firstly we would like to thank all our Under 6 age group for joining in and having a good crack each week; the first year of Nippers is a big one.

We started out learning some of the skills that will be used in the years to come then after Christmas we started some events including Flags, Wade races, Sprints and Relays. We also had some fun along the way with obstacle courses, dodge ball, bull rush and other games to increase our skills and learnt some valuable information like what can help to keep us safe on the beach; who can help us if we get into trouble and what to do; and where should we swim?

We would also like to extend a huge thankyou to all the parents who volunteered and look forward to more volunteers in the 2019-20 Nippers season and remember if you want your kids give a whistle and put one hand in the air.

Craig Le Brocq
Under 6’s 2018/2019 Age Managers
Under 7’s Age Manager Report

The aim of the under 7’s age managers this year was to develop the kids confidence on the sand and in the waves but most of all to have fun.

Hopefully the kids had a whole heap of fun this year, because the age managers did over a very enjoyable season.

The under 7’s (2018/2019) are a fantastic group of kids and it was great to see their confidence grow over the summer with both the sand activities and in the waves.

Some of the kids took to the activities immediately and showed real speed in the events, I’m sure we’ll see them successfully competing over the years. Other kids took a bit longer to get used to the activities and the waves and it was fantastic to see them all grow in confidence and have a great time.

Pretty much all the kids could play happily in the waves by the end of the season and we were particularly happy to see those who were more than a bit scared a couple of months ago ducking under the waves like pro’s and riding the waves on the inflatables.

We hope to see you back next season when some of the slower kids will start catching the fast kids, we’ll go deeper in the water and catch bigger waves to shore!

Jon Midwinter and Rhys Bennett
Under 7’s 2018/2019 Age Managers
This year has been a very busy season. Under 8’s have been an exciting age group to work with. The children have been very dedicated to training and practising their events. Favourite events were flags and sprint racing. All the age group have been committed to competing in carnivals whether it be Soldiers, Terrigal or Toowoon Bay. We have some budding athletes in this age group. The age group has a very strong competitive attitude with general placings in the top 5 at club or branch carnivals.

Under 8 age group are to be commended on their team work and diligence to inclusive attitudes with the other nippers. The children are socially and emotionally engaged, being able to encourage the other nippers to further their training whether it be sand or water activities. Some of the children have started the season being weary of water events but now they are becoming more confident with pushing their skills.

In carnivals it is evident that whether it be boy or girls results that the placings are getting stronger with the experience and development from previous carnival results.

Matt and I are very proud to be the age managers for the under 8’s nippers’ group. It has been a rewarding and positive outcome for us. We are excited to be developing our awareness and skills that we can incorporate into the training sessions on Sunday mornings. The children have been a delight to work with. We have been blown away by their confident and courageous attitudes to their training. The children have been developing their instructional skills whilst training on Sunday mornings. It will be a great to see their progress into the next season.

Matt O’Reilly & Taegen Le Brocq
Under 8’s 2018/2019 Age Managers
This year saw us start with eager boys and girls all wanting to learn new skills in the sand and water.

It was great to see a see the kids returning from last season, but great to see new faces.

The season started off with challenging conditions which meant that we had to do a lot more sand events, learn about rips and beach safety. Weekly the kids continued to ask when they could go on the boards and swim.

When we finally were allowed to set them free into the water, the kids took it in their stride and jumped in. The ones that weren't sure still managed to stand in the water and contemplate what they wanted to do.

We had many kids show their prowess on the sand and others in the water. This made it a hard season for Brodie, Sean and I to keep everyone busy.

We took it in our stride and got the kids running, diving, paddling, swimming and having fun on a weekly basis. It was awesome to see the smiles on their faces.

As Age Managers, we have all seen the kids grow as the season went on. Some of the new kids who started off quiet, are now full chatterboxes, smiling and have all made new friends.

We would like to thank Zoe for helping to fill in the gaps when needed on a weekly basis. Also a thank you to Craig Adams whom officiated at every carnival for us this season which meant that all our kids could compete.

Again, on a weekly basis, the parents that stood in the water, kept the kids in control, signed them in/out and helped everywhere in between, we thank you.

We hope the kids had just as much fun as we did, and we all hope to see you next season.

Lynnette Vuradin, Brodie Drake & Sean Mitchell
Under 9’s 2018/2019 Age Managers
Under 10’s Age Manager Report

For our under 10’s, this year’s nipper season has been full of challenges with a huge improvement in water confidence on last season. We had our regular members return and welcomed some new faces, Brad and I could not be happier with the amount of effort and sportsmanship seen during the course of the 2018-19 season.

Congratulations to Our U10’s Club Champions and placegetters, also to all our teams and individuals who did a fantastic job representing Shelly beach at various carnivals and events this season.

It was fantastic to see the individual self-confidences grow each week, with some challenging conditions early in the season, (seemed each Sunday morning was possessed) when the weather and surf calmed it was great to see the improvements made through the club training sessions and off/preseason training.

Big thank you to David Smith for keeping our little speedsters speedy including some branch medals and state finalists, Iva and Michael for their Board and swim training sessions on Thursday’s without your knowledge and guidance our little legends wouldn’t have the confidence, to be where they are now, to all our senior members assisting with Saturday training, we couldn’t do it without your help.

Last but not least to our all our parents for your help and effort through this year’s season, we have a great group, Brad and I thank you for all the water safety provided, drop offs and pickups, set up and take downs and supporting your kids in the way you do, It’s a team effort and I feel privileged to be associated with such a fine bunch of kids and families.

Thanks again for all your help and support this season. Congratulations, well done and what a great team effort.

We can’t wait to see you all again for the 2019-20 season.

Craig Goy & Brad Glover
Shelly Beach Surf Club
Under 10’s 2018/2019 Age Managers
Another great season for 2018-2019!

The Under 11’s were managed with the assistance of two lovely ladies, being Casey Goy & Jade Crook. I would like to thank them for assisting me and for all their endeavours throughout this season.

Casey has put in endless hours over the past season, forwarding the training schedules and keeping everyone informed of weekly events. She ensured that all communications were circulated to all our families.

Jade participated in various activities, from being an Age Manager, to part of the Water Safety team, to being a mentor and more often than not, a competitor alongside our Under 11’s. To both of you, my warmest and sincerest thanks once again.

I would also like to thank the parents, grandparents and family members that assisted during the past season. If it wasn’t for your support, the kids wouldn’t have had the opportunity to become surf aware and compete in an organised, fun and friendly environment. At the various carnivals it was great to see all the family members cheering and encouraging from the sidelines and not only their child, but the various teams that competed on behalf of Shelly Beach.

Also, I would like to extend my thanks to the board, water safety, IRB crews, first aid, Patrol teams and other volunteers that attend week in, week out and make all this possible. I am extremely proud of how the all the children participated and competed each week. On behalf of Casey, Jade and myself, I would like to make a special thank you to the kids, that we have been so lucky to have worked with, over the past season. Their desire and determination, to learn and progress to achieve their goals, however large or small they may have been, made them a pleasure to train. I would like to personally thank you all, for an enjoyable year.

This season has brought a mixed set of results for the our Under 11’s. We had some great team highs and individual brilliance, but we also had our fair share of lows. We also had several children leave Nippers, but also had the inclusions of Rory Sohier and Tamara Napier (both from North Entrance), to our group.

The season commenced slowly, with our first test being the traditional carnival at Umina in November 2018. The U11 girls had Rebecca individually finishing 4th in the Under 11 Female Surf Race and combining with Molly, Kianna and Tamara, to place a commendable 5th in the Under 11 Female Surf Team final. The U11 boys individually saw Rory finish 3rd in the Under 11 Male Beach Sprint, 3rd in the Under 11 Male Iron Man and a 1st in the Under 11 Male Surf Board Race. The U11 boys individually saw Oliver finish 4th in the Under 11 Male Beach Sprint, Rory finish 6th in the Under 11 Male Iron Man and a 6th in the Under 11 Male Surf Board Race, with Duncan finishing once again with a 2nd in the Under 11 Male Surf Race. Rory and Duncan once again combined to finish another spot higher with a 3rd in the Under 11 Male Surf Board Rescue. Rory and Duncan were joined by Taj to compete in the Under 11 Male Surf Board Relay, once again walking away with a 3rd place in the final. Duncan, Rory, Xavier and Oliver also claimed a 4th in the Under 11 Male Surf Team event. Duncan, Rory, Rebecca and Kianna once again combined to compete in the Under 11 Mixed Cameron Relay and once again finished with an admirable 6th place for their efforts. Rory also had a great showing in the All Age Beach Relay, with Shelly Beach finishing a strong 6th in the event.

So, Christmas came and went. We were next challenged at Toowoon Bay in January.

Yet again, the girls gave it their best, both individually and in the team events, but the medals and placings eluded them. The U11 boys individually saw Rory finish a great 2nd in the Under 11 Male Iron Man. Rory and Duncan managed to get some fulfillment in the Under 11 Male Surf Board Race, placing 4th and 5th respectively. Duncan finished with a 3rd in the Under 11 Male Surf Race, with Rory joining him in 4th. Rory and Duncan once again combined to finish with a 3rd in the Under 11 Male Surf Board Rescue, with Taj and Oliver combining to finish a terrific 5th place in the same event. Rory, Duncan and Taj competed in the Under 11 Male Surf Board Relay, this time topping the place with a brilliant 1st place in the final. Duncan, Rory, Taj and Oliver also claimed an impressive 3rd in the Under 11 Male Surf Team event. Rory once again had a great showing in the All Age Beach Relay, with Shelly Beach finishing a strong 6th in the event.

Moving on another month or so and it was time for the Branch Carnival at Soldiers Beach.

Individually, the girls managed impressive results given the greater number of competitors at this event, once again giving it all they had. Rebecca individually finished 5th in the Under 11 Female Surf Race and combined with Molly and Kianna, to place a commendable 6th in the Under 11 Female Surf Board Relay final. After competing all day at multiple carnivals at Umina in November 2018. The U11 girls had Rebecca individually finishing 4th in the Under 11 Female Surf Race and combining with Molly, Kianna and Tamara, to place a commendable 6th in the Under 11 Female Surf Team event. Duncan, Rory, Rebecca and Kianna combined to compete in another new event to the group, being the Under 11 Mixed Cameron Relay and finished with an admirable 6th place for their efforts.

After a few more Nipper’s events and further training, our next test came at the December 2018 carnival in Terrigal.

All the kids put in promising performances, with some close encounters. The girls individually, were still trying to make their mark. In the team events, there were signs that the girls were getting into their rhythm, with Kianna, Rebecca, Molly and Tamara just being edged out of the medals, to claim a commendable 4th in the Under 11 Female Surf Team final. The U11 boys individually saw Oliver finish 4th in the Under 11 Male Beach Sprint, Rory finish 6th in the Under 11 Male Iron Man and a 6th in the Under 11 Male Surf Board Race, with Duncan finishing once again with a 2nd in the Under 11 Male Surf Race. Rory and Duncan once again combined to finish another spot higher with a 3rd in the Under 11 Male Surf Board Rescue. Rory and Duncan were joined by Taj to compete in the Under 11 Male Surf Board Relay, once again walking away with a 3rd place in the final. Duncan, Rory, Xavier and Oliver also claimed a 4th in the Under 11 Male Surf Team event. Duncan, Rory, Rebecca and Kianna once again combined to compete in the Under 11 Mixed Cameron Relay and once again finished with an admirable 6th place for their efforts. Rory also had a great showing in the All Age Beach Relay, with Shelly Beach finishing a strong 6th in the event.

Under 11’s Age Manager Report
events, both Kianna and Molly decided to finish the day with the Under 11 Female 1KM Beach Run. In a large field and to their credit, they both fell over the line with a respectable 24th and 25th place respectively.

The boys also managed impressive results individually. Oliver finished with a 3rd in the Under 11 Male 1KM Beach Run, a 3rd in the Under 11 Male Beach Sprint and a 2nd in the Under 11 Male Beach Flags. Rory finished with a 4th in the Under 11 Male Iron Man and a great 3rd in the Under 11 Male Surf Board Race. Duncan finished once again, with an exceptional 3rd place in the Under 11 Male Surf Race. Duncan, Rory, Taj and Xavier also combined to claim an impressive 5th in the Under 11 Male Surf Team event. Duncan, Rory, Rebecca and Kianna once again combined to compete in the Under 11 Mixed Cameron Relay, this time finishing with a magnificent 2nd place for their efforts. Rory once again had a great showing in the All Age Beach Relay, with Shelly Beach finishing a strong 4th in the event.

The final event for this season was the NSW Age Championship titles at Swansea Belmont. I was very proud to have 7 of our Under 11’s competing at this event, as so should they be. Individually and as part of a team, they left nothing behind and gave it their best against the best-of-the-best in the state. There were some great individual efforts with both the boys and girls, qualifying for finals and semi-finals and achieving great results. Unfortunately, the competition was too great, with our group failing to turn all their hard work into prominent finishes.

Overall, I was impressed with the determination and ‘never give up’ attitude from all our competitors throughout this season. I’m sure that if they continue to put in the hard work, it will give this group of competitors further success next season and I am confident next year will be a progression from this season. Well done to all the Under 11’s, that have proudly represented Shelly Beach this season.

I would like to thank our JAC Brad Glover and assistant JAC Craig Goy, for all their efforts in making this season so great. I would like to thank all the other personnel that work so tirelessly, week in week out, to enable our Nippers to attend every week.

I would also like to make a special mention to Michael Hyslop and David Smith, who’s efforts in organising training sessions for our Nippers to attend, have been invaluable. Michael should also be commended for all his extra-curricular activities, in providing the platforms and regimes for the club and competitors.

Tom Radic
Under 11’s 2018/2019 Age Managers
The under 12 of 18/19 season saw great participation week in week out right from the beginning through to our last nippers fun day a couple of weeks ago.

A total of 23 kids made up the under 12 group, with many returning nippers being joined by a few new faces who have been welcomed by Shelly Beach, resulting in great new friendships and bonds being formed.

We had a number of our nippers get a taste of competition at Branch level for the first time, with a few of the boys competing at Terrigal and Toowoon Bay earlier in the season, which bodes well for the age group moving into next year.

In addition to our regular competitors, Shelly Beach was able to field multiple girl board teams at carnivals thanks to some new and returning nippers, while great numbers across the both boys and girls have seen Shelly Beach be more competitive in the swim, sprint and flag events.

Hopefully the boys who have had a taste, and others who are tempted will attend more carnivals moving forward.

Our results across Branch and State carnivals have improved enormously from previous years, a credit to all of our wonderful competitors who have trained hard and earned qualification into finals and semi-finals at Branch and State levels.

Attendance to our co-ordinated mid-week and weekend training sessions has been unprecedented for this group, and whilst most sessions have been tough, there is always laughter and smiles all round indicative of the positive culture amongst our nippers.

Special mention needs to be given to all the coaching and management support over the past season, it is the countless hours volunteered by everyone involved that makes this club what it is.

In summary, the fantastic group that is the Shelly Beach under 12 have had a great year, we have great numbers, have improved in our performances, and on the current trajectory should be a force in next years under 13s!

Ben Dugan
Under 12’s 2018/2019 Age Managers
Under 13’s Age Manager Report

The Under 13s had a great Season with a small but “spirited” group Turning up every Sunday.

We had loads of fun with both Nippers & Carnivals and loads of progress was made by everybody, surf conditions meant that we didn’t get in the ocean that often, but when we did the board we paddled and the waves were ridden.

We also teamed up with the under 14’s and it was good to see our kids being competitive and having fun.

Lastly I would like to thank Carol my fellow age manager from the under 14’s for helping me with these great kids, also to the many parents that have helped Carol and myself during the season.

Thank you to all the kids that turned up during the season having fun and listening to important Life Saving instruction, we appreciate it.

All the best for your winter sports and hope to see you on the beach next year.

Janine Shearer
Under 13’s 2018/2019 Age Managers
Under 14’s Age Manager Report

For the 2018/19 season I had the pleasure of being age manager for four kind and funny young men.

Every Sunday at 8.30am these boys turned up with a positive spirit and took to the activities with a smile and maximum effort.

This is the first year that they had a chance to ride a racing mal.

It was nerve racking at the beginning of the season and they were picky about the conditions they would go out in. Eventually they were all brave enough to have a paddle and compete against each other.

For the nipper days we joined in with Janine and the Under 13’s. They were a great bunch of kids and the two age groups got along well.

Some of the patrols got quite crowded as these friendships grew and they wanted to do extra patrols with each other. Apologies to the Patrol Captains for that.

These boys also got involved in rookie activities where they could, and embraced the spirit of competition and friendship.

I wish the Under 14s of the 2018/19 season all the best in their future, in surf club and elsewhere.
