Notice of Annual General Meeting 2016

Notice

Notice is hereby given that the Annual General Meeting of Shelly Beach Surf Life Saving Club will be held in the Clubhouse on Sunday 19th June 2016 at 3.00 p.m.

Agenda

- | | |
|---------|---|
| Item 1 | Apologies |
| Item 2 | Acceptance -minutes of the Annual General Meeting Sunday 31 st May 2015 |
| Item 3 | Business arising from the minutes of the Annual General Meeting 31 st May 2015 |
| Item 4 | Presentation and adoption of the 61st Annual Report |
| Item 5 | Presentation and adoption of the Auditor's Report and Treasurer's Financial Statement and Balance Sheet for the 2015-2016 season. |
| Item 6 | Election of office bearers |
| Item 7 | Affiliation with SLSNSW and SLSCC |
| Item 8 | Correspondence (urgent nature only) |
| Item 9 | Constitution changes- notice of motion -see attached |
| Item 10 | General Business (urgent only) |

Position Reports

President's Report

I would like to start by thanking our members, the committee and parents and for their support over the season. In my first year as President this support has allowed me to focus on the important things and work on the club as well as in the club. I would also like to make special mention to our previous President, Mr Peter Zalbergs who has provided me great insight and support as I grow into the role.

Our first priority at Shelly Beach is Surf Life Saving and supporting the wider community. We had over 45,000 visitors to Shelly Beach during the season with a reported 49 aquatic rescues and countless first aids. Our 122 patrolling members contributed over 4,400 hours to patrols come rain, hail or shine and our patrolling year was made that bit easier with a season of half day patrols.

We have continued our focus with the better clubs quality program and at the end of the season have over 40 procedures under version control supporting our club. We had 2 new policies created this season and an update to another. This continual improvement was driven by the members which is the best driver of change.

Education has gone from strength to strength this season. We ran multiple IRB Crew, IRB Driver, SRC and Bronze courses. This in part resulted in 18 x Bronze Medallion, 12 x IRB Crew, 6 x IRB Drivers, 4 x Trainers Certificates, 11 x SRC, 9 x Surf Sports Officials, 1 x Gold Medallion, 6 x SMAR, 3 x Provide First Aid, 4 x Beach Management, 1 x Remote Pilot, 1 x Assessors Certificate & 5 x ARTC. For a club of our size we have certainly strengthened our foundation for the younger generation coming through and of course "many hands makes light work".

In terms of competition I am very proud of Shelly Beach. We had representation and success at Pool Rescue 2016, the World Junior Interclub competition, Australian Pool Rescue Champs, State Pool Rescue, Aussies SLS, State SLS and Branch SLS respectively.

The Beachletics Carnival was run at Shelly Beach for the first time in 2016. The date coincided with the raising of the flags and provided great publicity for both SLS and NSW Athletics. The event follows the 2016 SLS NSW initiative to combine and collaborate with other not for profit bodies with a goal of inclusion and diversification. The event was hailed a success and even appeared on local television and newspaper. Central Coast Tourism is now backing the annual event and in terms of inclusion the event certainly achieved the outcome.

This year also saw Shelly Beach move from a manual maintenance recording system to an online maintenance management system. This has allowed us greater visibility of routine and corrective maintenance and as a result we are responding to maintenance requests usually on the day they are raised.

This has been a rewarding season for me personally and certainly look forward to our next season.

Shelly Beach..."Where friends meet"

Martin Kerr, Shelly Beach Club President

Secretary's Report

Shelly Beach Surf Life Saving Club excelled itself again this season with another great year of competition, growth and keeping Shelly Beach safe for the wider community - thanks for all the great efforts from everyone.

With all this comes the huge job of compliance and the never ending demands on the club members and executive supported by Surf Life Saving Central Coast, NSW and Australia to achieve results that include the development of another group of rookie lifesavers, a strong patrol presence, the attainment of the Gold Quality Program and strong results in local, branch, state and National Carnivals.

Congratulations to every member of the club for this great season and Shelly will reflect on this and face the oncoming season with another round of determination and dedication.

Trish Watts

Secretary

Club Captain's Report

Congratulations patrolling Members of Shelly Beach SLSC.

What a fantastic season 2016/2017 was! Over the patrolling season we had over 49000 visitors to our beach, saved 49 lives that were reported and countless first aid treatments were performed throughout the season. Thankfully, only a small percentage of those required Ambulance attendance. Our 11 patrols combined invested over 4400 hours of volunteering hours to achieve the above - what a absolutely astonishing achievement.

Special mention goes to Mark (Pup) Griffin, Glen Wigham and Toowoong Bay's Paul Gaha who, won the December 2016 Rescue of the Month award at Branch for saving 2 lives late one afternoon in quite horrendous conditions. Well done to those 3 talented life savers who were at swim and board training that afternoon. Without them there, we would have had 2 fatalities that afternoon on Shelly Beach. Thank you Pup, Glen and Paul.

Congratulations also to our JAC and nipper program for teaching/ coaching our junior lifesavers valuable skills highlighted by 2 U9's and an U13 who while on patrol in April rescued, without hesitating, 2 men caught in an outgoing rip. We and the Lee, Field and Crook family's are rightly, very proud of Nate Lee, Duncan Field and Jade Crook. Jade went well beyond her years while representing herself and our club when she spoke extremely well to a packed audience at a sponsors night at Solider's Beach recently. She made eyes teary with pride as she told her story. These 3 children, when questioned about their heroics, thought it was no big deal, they were just out catching waves and having fun. Well done to all involved.

Paul Dowdell is a massive asset to our club for his work in taking on the Chief Training Officer position last season, not only has he revolutionised the way our club trains our members he was also nominated by our club for the prestigious Branch "Lifesaver Of the Year" award. His efforts both on and off the beach are remarkable. Paul put in 128 patrol hours on our beach last season, attended 100% of his RWC patrol and invested countless hours training our members. We all owe Paul a huge congratulations and a pat on the back.

Congratulations to all of our perpetual award winners from both Senior and Junior Presentations held recently. Special mention to Gary Baker who is our Patrol Person of the Year, Braith Walters who is our Junior Club Person of the Year and Kiana Lagan who is our Rookie Of the Year. Well done Gary, Braith and Kiana.

To our Patrol Captains and their teams of talented Lifesavers, a massive thank you from your club for your efforts in keeping our beach fatality free for another season.

Let's keep that kind of momentum going for the 2017/2018 season.

Recharge and enjoy your off season. See you next season at our wonderful beach.

Best regards.

Shaun Gersch

Club Captain

Chief Training Officer's Report

Another successful season has finished at Shelly Beach Surf Lifesaving Club, with our patrolling members once again keeping Shelly Beach safe for the visiting public, family, and friends and I would like to thank all the patrolling members for the hours they have put in for the 2016/17 season.

Lifesaving and Patrols along with Training and Education are two of our core business areas with Ongoing education forming a key role in helping provide our members with the knowledge and skills to not only patrol effectively, but to also respond to any first aid or emergency situation that may arise. This is the reason why the Shelly Beach executive had determined this season to absorb the cost of ongoing education for Patrolling members who wanted to undertake further courses, as the committee recognised that the benefit back to the club and community, far outweighed the costs outlaid for any courses.

A pleasingly aspect of this season has been the growth in the team of trainers at Shelly Beach. At the last Bronze Medallion course we had eight active trainers prepared to volunteer their time and help train new members. I personally would like to thank Shaun Gersch, Daniel Sigl, Oliver Sigl, Gary Baker, Steve Lee, Andrew Hessel, Bronwyn McKirdy, Kyle McKirdy, Sue Davis, and Terry Vella for all your assistance with Member proficiencies and Training courses throughout the season. Such a number of trainers on hand, will allow Shelly Beach to provide a variety of courses, more often, throughout the upcoming season, further upskilling members, which is a great thing for both individuals and the club alike.

I would also like to congratulate Michael Lawton on becoming one of the first SLS drone operators in the state as well as completing his Assessors certificate and will now be able to assess our candidates in IRB crew and Driver courses as well as the yearly proficiencies. Congratulations Mick on this achievement. With more and more members gaining their training and assessors awards, this will help reduce our reliance on getting trainers and assessors from other clubs to assist us with our courses, and, on behalf of Shelly Beach, I would like to thank, Dave Chaffer (North Entrance) and Ramzy Fawzy (SLSCC) for all their help this season as Assessors.

Regards Paul Dowdell

Age Manager Reports

Under 7 Age Manager's Report

This age group was not only huge in numbers this season, they shone and showed team spirit and great enthusiasm with the support of the many parents that assisted each week. The abilities of many improved out sight and importantly this group had fun in a safe environment learning life skills. The Under 7's were also upskilled ready for carnivals next season and will be a strong force next season not only on the beach but in the water.

We were fortunate to trial a new program – designed by Keaton – the 'Redback Program' and this allowed the Under 7's to have a taste of catching a wave, learning about the surf, balance and just having fun using redback surf mats whilst parents provided one on one water safety. This program will follow them next season and help with the transition in the Under 9's to board riding.

A huge thanks to this group of great kids and parents and we look forward to seeing you all back next season. Everyone was a winner in this age group!

Under 8's Age Manager Report

This season of Nippers for the under 8's has been a great year. Steve and I along with all the parents and I'm sure the kids themselves have seen a incredible change in the their skills and confidence especially in the water, Although we have been mostly doing the wade as a water event and various other water activities to allow the kids to become more confident, we feel that this season has put in attributes that will make the under 9 season a lot easier to accomplish.

The kids have also improved a lot with their sand events. We have seen both boys and girls really giving it a go and trying their best whether it being diving extra hard for those flags or digging their toes in the sand that little deeper to go faster in the sprints.

This year was the first year of carnivals for under 8's. The participation and results particularly for the girls was impressive.

Thanks to the parents for their help during those Sunday mornings and most of all thanks to the boys and girls who helped make it a great season and became more confident in the beach and water activities.

Bradley Glover and Steve Thurlow. (Age Managers)

Under 11's Age Manager Report

With the summer ending on another great year for the kids, it is easy to say we have had loads of fun.

This year we welcomed into our fold our new team mates Connor M, Connor C and Ayden whilst welcoming back after a year off Connor B.

All the kids have succeeded in their own development this season.

Ayden is slowly conquering his fear of the board step by step, which is a credit to his perseverance. Whilst his swim and body surfing has been outstanding for a first year.

Connor Cridge has been our biggest improver for the year and can now swim and board around those dreaded cans.

Conor Bradshaw has also had an outstanding improvement this season with his confidence and ability in both the board and swim.

Chelsea again this year has continued to improve in all areas, making it seem like years ago that the tears would flow each week. Unfortunately, she has had a reduced season with us this year due to various illnesses.

Bastian has improved out of sight this season with consistent swims around the cans before illness shortened his season as well, we really look forward to seeing what next season brings for him.

Our small group of kids who have represented Shelly Beach this year at carnivals consisting of Elizabeth, Chelsea, Jack, Connor M, Ashton and Cohen, have really excelled themselves for a small group. They brought home numerous individual and team medals throughout the season at local carnivals and represented us well at the Newcastle Permanent Iron person series with Elizabeth making the podium.

At state them they all competed extremely well getting to semi-finals and a couple of finals.

A special mention must be made for James, who we all love and missed this season due to an ongoing illness. We wish him a speedy recovery and look forward to seeing him next season.

All in all it has been a great year, thank you again to all the parents who have helped us out and well done to all the kids for their excellent behaviour and sportsmanship towards each other.

See you all next year

Megan, Olli & Col

Under 13's Age Manager Report

This year was a great one for the U/13's with a few inexperienced nippers mixed in with a highly competitive, competition group. Despite the big difference in skills and goals, all of the kids in the group worked really well together and were always a pleasure to deal with.

Hannah, Liam, Riley and Brook were all having their first year in our group but all tried their hardest to get used to the boards and each of them pushed through fears to tackle some tricky conditions and often difficult waves. Corey, in his second season was once again fearless and enthusiastic and made big leaps in his skills.

Bodysurfing was always a popular session with all the kids having plenty of fun and learning how to get in and out through all kinds of waves. It also brought the comp and non comp groups together in a fun way.

Our competition group did really well again and picked up a bucket load of individual medals and team medals in the swim team, board relay and Cameron events. Jade always plays a big part in our Cameron teams, but it was great to see her competing in a few teams for the U/14's at carnivals and with this experience and confidence, she should fly next year on the big boards.

Damian made big leaps again this year and stepped up really well as a very valuable part of the swim team, plus his board was ultra-competitive, pushing all the boys at each training session and in races.

Riley battled illness and injury all season but still lifted to a whole new level, with his greater commitment rewarded with plenty of medals including individual gold and selection to the Inter branch team.

Kai was again very consistent and had some great individual performances but he is always at his best in team events where he can be relied upon to give 100% in every event.

Joel had a mixed season with some results disappointing him and equally some outstanding results, including 2nd in Inter branch Ironman, but no matter what he always gave everything he had in all his training and races.

Once again a huge thanks to all the parents who make my job easy and all the kids for making Sunday morning fun and I look forward to seeing you all again next season.

Under 14's Age Manager Report

Shelly Beach was well representative across all junior nipper carnivals during the 2016-17 season. It was fantastic to see a whole of club representation at each carnival through participation, water safety, officials and Health and Safety.

All competitors showed tremendous sportsmanship, encouragement and loud cheering for their peers.

Shelly Beach produced competitors across all age groups (U8-U14) at every central coast carnival. Being such a small club we witnessed some outstanding results in every age group. Medals were won across each age group to demonstrate the incredible skills of our competitors. Our water and sand competitors enjoyed great success throughout the season producing gold, silver and bronze medals in varied events.

It was great to see the support for all competitors at the NSW junior state carnival at Swansea Belmont.

Competitors, family members and friends were very vocal in their support for all Shelly Beach nippers and it was a pleasure watching the children proudly display their Shelly Beach uniform with pride.

It was a pleasure to receive feedback from officials on the positive behaviours on display for our Shelly Beach junior nippers.
